Hunter Under Saddle & Western Pleasure
5-Time APHA WORLD CHAMPION
16.1 Hand AQHA/APHA Stallion

October 1, 2007

Dear Mare Owner,

Thank you for considering breeding your mare to *HBF Iron Man* in the 2008 breeding season. 2007 has been an exceptional year for us, as the foals out of HBF Iron Man continue to excel in the show pen! And excitingly, *HBF Iron Man* heads to Kentucky for the 2008 season! As a result of his double registration status, this will make both his Paint and Quarter Horse foals eligible for the Kentucky Incentives as provided by this new program that pays for winning!

What a show career for this exceptional stallion: In 2005, at 9 years 'young' and after breeding for four years, HBF Iron Man was sent back to the show world to earn full registration with the AQHA. A testament not only to his physical abilities, but also to his great mind-set; the ROM earned in AQHA events was in addition to an APHA show record that is truly second to none. He is the ONLY APHA Multiple World Champion in Hunter Under Saddle AND Western Pleasure available for breeding today. As a young horse he earned 5 World Champion titles in Hunter Under Saddle and Western Pleasure in 5 attempts. Additionally, he is a 4-Time NSBA Champion and Congress Champion! Displaying his willingness to please; you will find his wins were in Open, Amateur and Novice Amateur competition. He has earned 5 Superiors, and has 975 points in 7 events under limited showing. Iron Man's show record speaks for itself and he has proven time and time again that he is a great show horse and is now beginning to make his mark as a sire for the years to come.

With the recent change in the registration rules, *HBF Iron Man* has in addition to his APHA registration was thus awarded his full registration status with the AQHA in 2005! Quarter Horse, Appendix Quarter Horse, Thoroughbred and Dual registered AQHA/APHA mares will all produce a double registered AQHA/APHA Foal! Excitingly, we are thrilled to provide an "Acceptable Foal Color Guarantee" for this proven color producer to both Quarter Horse AND Paint Horse Breeders! If you are not pleased with the color you obtained, return your foal to us for a FREE Rebreed! See our Contract Addendum "B" for Complete Details!

His foals, exhibiting their versatility, have excelled in competitions at all major futurities and the APHA World Show. Offspring of *HBF Iron Man* are following in their sire's championship footsteps. Shown in Open, Amateur and Youth divisions, they are winning in a host of events such as Hunter Under Saddle, Western Pleasure, Longe Line, Halter, Equitation, Showmanship and Over Fences to name a few. Already an APHA World and Reserve World Champion sire, HBF Iron Man has added Multiple Top Ten World Show Winners to his sire record.

Again this season, *HBF Iron Man* will be standing at DeGraff Stables, a state-of-the-art full service breeding facility which has been relocated from Port Clinton, Ohio to Midway, Kentucky. We are proud of his conception record ~ above 90% via shipped semen for three years! The experienced reproductive staff at DeGraff Stables has promised us they will work hard to provide the best care for your mare possible at the farm, or, to provide shipped cooled semen in a timely manner to meet your requirements.

Foal engagements for the 2008 breeding season to *HBF Iron Man* are the APHA Breeders Trust Program, the AQHA Incentive Fund, the NSBA Stallion Incentive Program and the NSBA Breeders Championship Futurity, the Kentucky Incentive fund for both AQHA and APHA foals, the Just For Pleasure Stallion and Mare Program and the Just For Pleasure SSA. Other futurities include the Tom Powers Futurity, the Ohio Paint Horse Club SSA, the Oregon Triple Challenge and the Bakersfield CA Paint Association to name a few.

If you have any questions, Robin DeGraff of DeGraff Stables may be reached by calling toll free 859.846.5000 or by e-mailing robin@whatiwork4.com, or we may be reached at 614-889-2841 or by e-mail at hbf6555@aol.com. We look forward to working with you regarding your breeding program this season.

Sincerely,
Paul and Celeste Fender
